Hi, All -- Region 8 has now been assigned to prepare the response to Governor Mead, but it is still to be signed by the Acting Administrator.

I'll be getting the yellow folder with this control down to Carl's group today with instructions regarding preparing the draft that I will send on to OCIR for finalizing for Bob P.'s signature, once it gets approval from the RA.

I'll work with OCIR to coordinate the dissemination of the Governor's response with the WY delegation's response.

Please let me know if you have questions, or if anyone (outside of OPRA) needs a copy of the Governor's incoming letter.

Thanks!

Thanks Sandy. Sounds like a good strategy.

**Subject:** Inquiries from Gov. Mead and WY delegation RE: WY Regional Haze Public Hearing

FYI -- As you know, OAR was assigned the response to Governor Mead's letter to Bob P. on delaying the public hearing, etc. That response is set for signature by the Acting Administrator with a due date of July 1. (Agency policy is that all letters to Governors are to be signed by the Administrator.)

Today, Region 8 received an assignment from HQ to prepare the response to a similar letter from the WY congressional delegation for the RA's signature with a due date of July 2.

FYI -- I'm assigning the congressional response to OPRA, but I will work with OCIR to assure that both the Governor's and the congressionals' responses are coordinated. I imagine you will

be working with OAR on the Governor's response.

Please let me know if you have questions or concerns.

Thanks!

Sandy
